

CALL FOR POSTERS

Filtration of Biological Products

Maximizing Throughput While Minimizing Cost
2nd Annual Meeting

November 3-5, 2008
Santa Barbara, California

At the request of conference participants, the poster sessions for our meetings will be significantly expanded. We are soliciting abstracts covering unique and innovative basic research and development efforts. Abstracts will be reviewed by the Conference Program Committee, which will then issue invitations to display selected posters at the meetings.

Abstracts must be received no later than **October 8, 2008**.

If a poster contains information that offers clear commercial value to the individual or company presenting the material, a \$95 poster board rental fee will be charged.
